Dear Baton Rouge Soccer Club Members,

In order to continue our mission, and provide better value to our entire membership, it is imperative that Baton Rouge Soccer Club continues to create new funding sources to support our current objectives. BRSC recognizes the importance of cultivating these new funding sources, and more importantly the benefit to the entire membership of expanding our revenues.

Through the direction of the Board of Directors, Bo Cassidy, and myself, BRSC is working to establish several new funding sources. These include an annual campaign, greater funding for financial assistance, special events such as our Adult FootGolf Tournament, in-kind gifts, grant opportunities, sponsorships, capital campaigns and even endowments. These funding sources will help support the 2017-2018 Fundraising Objectives, the long term goals of BRSC to create a better experience for all members, and to position BRSC as a community partner in Baton Rouge. For the 2016-17 soccer year, we are holding our raffle in the spring due to the flooding this past fall.

One of our major fundraising events will once again be our raffle! This year we will be raffling 7 awesome prizes including \$5,000 cash, a Kustom Plasma Kuts Custom-Made Fire Pit, a 12-month membership to Massage Envy Spa – Citiplace including a free one-hour massage per month, a \$500 Third Coast Soccer Gift Card, a Raising Cane's® Gift Basket including 52 weeks of free Raising Cane's®, a signed Houston Dynamo jersey, and a package from Paul Mitchell Rush Salon. Tickets will go on sale on February 13, 2017 with the raffle drawing to be held Thursday, March 30, 2017 at the Burbank Soccer Complex. You may view the [Raffle FAQs](#) to see general information on the raffle. Please take time to look through the information.

We expect each member of our Competitive and Junior Competitive programs to sell 10 raffle tickets towards our cause. **Thank you in advance for answering the call!** This is **YOUR** Baton Rouge Soccer Club!

Please know that your support of the raffle will have a positive impact on you and your family. Please take a look at the [Fundraising Objective Results](#) from last year to see how your generosity and drive to sell tickets directly impacted our ability to generate funding to go towards coaching education, improvements to Parent and Coach Education, scholarships, outreach programs, and improved playing surfaces at Burbank.

Please don't hesitate to email me at mvaughn@brsoccer.org with any questions or concerns.

Sincerely,

Miles Vaughn
Baton Rouge Soccer Club
Director of Soccer Operations

Providing quality soccer programs to the greater Baton Rouge area since 1975.
