

Recreational Refund Policy 2020-2021

By enrolling in the BRSC Recreational program, the parties agree that the Club shall not be liable for any failure or delay in the performance of its duties or obligations under the Recreational agreement to the extent such failure or delay is caused by a force nature or an event beyond the Club's reasonable control. In such an event, the Club's duties shall be suspended until such time as the Club, in its sole discretion, determines that it may safely and ably resume performance. The club shall provide notification by a reasonable time and method. While our policy specifically states no refunds, events surrounding COVID-19 have prompted the following modifications:

- a) Any refund that is requested before the week of the coaches meeting (two weeks before the start of the season) in which team schedules have already been made, the maximum amount that can be refunded is 90% minus credit card fee charged.

Any refund requested after this time will be subjected to the following:

- b) If we cannot play or delay, 75% refund of the amount paid minus credit card fee charged (25% retained by the Club to cover administration costs, background check, player insurance, field maintenance)
- c) If half of all games scheduled across the league are completed, the maximum refund is 50% minus credit card fees charged.
- d) If 75% of all games scheduled across the league are completed, there will be no refunds.

There are two exceptions to this policy:

1. If a player provides medical documentation of an injury that prevents them from playing for a full season
2. Family relocation during the season
