

## SPONSORSHIP OPPORTUNITIES

#### **ABOUT**

#### Who we are.

The Baton Rouge Soccer Club is a national 501(c)(3) nonprofit organization dedicated to providing and promoting excellence in soccer and physical fitness programming to people of all ages and abilities.

#### Why we do what we do.

We want to ensure our members live a quality life. Not only do we want them to live a quality life now, but also for many years to come. Not only do we want them to be healthy on the soccer field, but we also want them to be healthy for the life experiences they will encounter as they grow older.

#### What we do.

Baton Rouge Soccer Club Athletic Training is the initial line of health care for athletes within our competitive programs. We care for these athletes through injury prevention, evaluation and rehabilitation, education, emergency care, and much more.

#### Why are we seeking funding?

Our Director of Sports Medicine wants to improve the quality of care provided to our membership. This includes facility improvements, increased accessibility to AEDs, and more.

- CPR/First-Aid training for all BRSC competitive coaches and administrative staff
- Increase accessibility of supplies for injury prevention and rehabilitation home exercise programs for members
- Increase the number of AEDs mounted around BRSC programming areas.
- Install water fountains with bottle refill stations in areas around Burbank Soccer Park
- Provide first-aid kits for all competitive teams during travel
- Semi-permanent cold water immersion station

#### **SPONSORSHIP LEVELS**

	White \$250	Maroon \$500	Red \$1,000	Black \$2,000	Platinum \$3,000
